#### TO ALL CONCERNED PERSONS AND AGENCIES:

Staff has prepared tentative Waste Discharge Requirements for the Oakwood Lake Water District and Beck Properties, Inc. wastewater treatment plant. Any comments or recommendations you may have concerning the enclosed tentative Order shall be submitted to this office by **28 September 2006** in order for us to give them full consideration prior to the 26/27 October 2006 meeting of the Regional Board. We would appreciate receiving comments earlier, if possible.

Please note that a significant issue identified in the Environmental Impact Report has not been addressed. While the tentative order can be circulated for comments, the Order cannot be presented to the Regional Board for consideration until all significant issues have been resolved.

In order to conserve paper and reduce mailing costs, a paper copy of the tentative WDRs has been sent only to the Discharger. Interested parties are advised that the full text of the WDRs is available on the Regional Board's web site at <http://www.waterboards.ca.gov/rwqcb5/tentative> under the heading of "Discharger-Specific Orders for Future Board Meetings." The item will be posted by 30 August 2006.
